

The Sharonville Kiwanis

The Friend of Princeton Honoree

The Kiwanis Club of Sharonville was chartered on May 24, 1945 and has been doing volunteer and community service ever since. They have sponsored the Princeton High School Key Club for over 50 years and provided college scholarships to Key Club members. We are a regional sponsor of the Power of the Pen for middle school students and send high school students to

leadership training. The Kiwanis Club has supported the Princeton Scholarship Fund, the Viking 50 Club and now the Princeton Education Foundation. The club also supports the Sharonville Christmas Fund and the Princeton Closet. Most recently The Kiwanis Club was a sponsor for the 5K run walk supporting the Viking School Based Health Center. To support these endeavors they have two major fund raisers, the Kiwanis Art and Craft Festival in the fall and a Pancake Breakfast in the spring. In 2018, because the club supports projects beyond Sharonville the club name was changed to the Princeton Sharonville Kiwanis Club. The club meets on the third Monday of each month at 6:00 PM at the Blue Goose Restaurant in Sharonville.
