

Heritage Hill Health Clinic News

-Jennifer Layman, Health Aide

Welcome back students and families! We hope you had a fun summer and look forward to many educational adventures this school year! In addition to excellence in education, we are here to help ensure the overall health and wellness of your student. Here are a few reminders to support us in providing the best care for your child:

- Final Forms must be completed immediately. Please provide current contact information in the event that we need to reach you during the school day.
- Complete Immunization Records must be submitted within 2 weeks of attendance.
- Any student with a prior health alert or condition should contact the Health Aide with concerns regarding daily care.
- All medications must be given directly to the Health Clinic and have the proper Administration of Medication form completed and signed by the parent and doctor. This applies to prescription AND over the counter medications.
- Medications can not be carried in student's backpacks.
- Children must be healthy to learn. Please do not send children with a fever, vomiting, diarrhea, rash, coughing or cold symptoms. Sick children will be sent home.
- All students should bring a labeled water bottle.
- Please encourage your child to get a good night's sleep!

We are excited to be back with a full year of in-person learning! Please let us know how we can better meet the needs of your child and family! Have a great school year!
