

August 1, 2021

Dear Families of Heritage Hill Elementary School,

On behalf of the staff at Heritage Hill Elementary School, I would like to welcome you to the 2021-2022 school year. We are incredibly excited for a year filled with many opportunities for our students to strive to find ways to provide opportunities for our students to become empowered within the learning process. In the next several days we will be opening our doors to welcome you to the new school year. Together, we will create a year of excellence for our children as we focus on improving student and family engagement and involvement, creating and maintaining a positive climate and culture and delivering high quality instruction. We embark on this journey with a pledge that we will encourage involvement, engagement and stay connected to our parents and families.

We will continue the legacy of success established at Heritage Hill Elementary. We were honored last year while awarded the School of Character by the Character Council of Greater Cincinnati. This truly demonstrated the character that is shown by our students, parents, staff and community as a collaborative team. We invite and encourage our students and families to work in collaboration that truly allows our students to grow and learn. As a team we plan to continue the support of a strong and challenging academic experience while enhancing engaged learning experiences. This year we will be introducing a Leader in Me that focuses on leadership, culture and academics to positively impact students' behavior and social-emotional leadership skills.

We look forward to our upcoming Open House on Wednesday, August 11 from 4:30-5:30 P.M. This is a great opportunity to meet your child's teacher. Our first day of school will be on Thursday, August 12. Our school day is from 9:00 A.M.- 4:00 P.M. Our school, as always, serves free breakfast and lunch each day.

We look forward to a very positive and productive year together! Please enjoy the remaining days of summer, as we eagerly anticipate another fulfilling year of learning and experiences for our children. Here's to an AWESOME new school year as we work together to make our school a great place to work and learn each day! I look forward to a wonderful year!

Sincerely,

Ms. Shari Hoskins, Principal
