# Frequently Asked Questions

- **What is a School-Based Health Center?**

A School-Based Health Center is similar to a doctor's office inside of a school. The Viking School-Based Health Center (VSBHC) is staffed with a nurse practitioner, Elena Roach, and a nurse during regular hours each week throughout the school year. The VSBHC provides an easy way for children to get health care who may not have access to any. It is a partnership with The HealthCare Connection and Princeton Schools.

- **Who can be seen at VSBHC?**

Any student of the Princeton School District that has signed a consent form, as well as, any students' siblings ages newborn-19 years old.

- **What services are provided at the VSBHC?**

The VSBHC offers a variety of services include primary care, sports physicals, yearly child well exams, vaccines, oral and behavioral/mental health screenings, referrals to other medical providers, and more.

- **What insurance is accepted at the VSBHC?**

The VSBHC accepts Medicaid and Medicare plans, as well as Commercial Insurance. Commercial insurances include: Aetna, Anthem, Beech Street, Century Health, Cigna, Fiserv Health, Health Partners, Health Span, Humana, Medical Benefit, Medical Mutual, and United Health Care. Insurance packages may vary and change, so please call (513) 554-4100 for any questions.
