

How to send AP/IB scores and CCP transcripts to colleges and universities

AP Scores

- <https://apstudents.collegeboard.org/sending-scores>
- Deadline to send your free score report is June 20th

IB Scores

- <https://www.ibo.org/programmes/diploma-programme/assessment-and-exams/requesting-transcripts/>
- If your chosen college/university opted to receive IB transcripts through a secure IB website, they will receive your report as soon as scores are released
- For requests after 5 July (for May examination sessions) or 2 January 2021 (for November examination sessions), IB graduates can request for their transcripts to be sent to institutions directly by placing a request through rrs.ibo.org. A fee will be charged for each additional request that is submitted regardless of whether any previous requests have been made for that student.
- Prior to your IB Exam you will complete a form that will tell Mrs. Ritzie where you want your scores sent. Mrs. Ritzie will submit your request to IB prior to June 1. When completed by June 1 the score send is free.

CCP Courses (on and off campus)

- Use the following links to send your college transcripts to the college/university you are committing to in order to receive college credit
- Grades will not be posted by the university until their spring term ends so please note those dates listed and plan when you will order your transcripts
- Should you have any questions about your college transcript and when grades are posted, please contact the university registrar.
