

THE PRINCETON HIGH SCHOOL PROGRAM

All course credits at the high school are designed for one or two semesters. One-half credit will be awarded for the successful completion of each semester (PE semester = $\frac{1}{4}$ credit). Students who fail a required semester credit must make up the missing credit.

In addition to the above-mentioned Princeton District requirements for a high school diploma, the State of Ohio requires that every public high school student complete a graduation pathway as defined by the Ohio Department of Education. Students with documented disabilities (IEP on file) may be exempt from all, or specific sections, of the defined pathways, depending upon the disability.

Students who need credit for graduation should plan to attend a summer school or the adult evening school to make up any existing deficiencies. It is recommended that all deficiencies be completed prior to the senior year.

NOTE: Only those students who meet the requirements for graduation and are to receive a diploma will be eligible to participate in commencement exercises.

IMPORTANT NOTE FOR GREAT OAKS STUDENTS: Students who elect to attend Great Oaks must meet Princeton's graduation requirements of 20 credits and must complete the pathway requirement as defined by the Ohio Department of Education.

REPORTING OF GRADES: For the purpose of determining class rank, a higher numeric value is assigned to all letter grades in weighted courses. The following examples are representative of "weighted" and "non-weighted" marks and the quality points based on grades assigned to each:

<u>Weighted (AP/IB/Various CCP)</u>	<u>Weighted (Hnrs)</u>	<u>Non Weighted</u>
