What to do for REQUIRED SUMMER READING ENGLISH 10 HON 2020:

1. "The Doll's House" by Katherine Mansfield (story available in Google Classroom). You also need to read the "Text Analysis: Omniscient Point of View," and "Meet the Author."
2. Complete all the "After Reading" activities. Answers should be typed in a Google Doc and submitted to the Google Classroom. It is expected that you will write in complete sentences and follow the conventional rules of spelling and grammar in your responses.

Important Notes: If you **do not** have consistent internet access and you need a hard copy of the story and assignment, please contact the grade level principal, Mr. Wade, beginning after May 25th to set up an appointment to come in and acquire a copy.

By the first day of school, **Thursday, August, 13th**, you are expected to have read this story AND completed the activities that follow. **Within the first, full week of school, you will be tested over the story.**

Students enrolling LATE in the district will need to complete the assignment and submit for assessment within the first 6 weeks of school.

Enjoy your reading - and be prepared to hit the ground running with assessments and discussions when school opens in August!
